

CONSENT TO USE CONTENT AS PROVIDED FOR THE FE-SAFE USER GROUP MEETING

CUSTOMER has created data of interest to Dassault Systèmes Simulia Corp (“SIMULIA”) which is set forth in Exhibit A (“Data”). The data has been submitted for presentation at the 2016 North American fe-safe User Group Meeting on 19th October 2016.

You, as the CUSTOMER, represent that you own or have all rights and authority to grant to Dassault Systemes Simulia Corp. (“SIMULIA”) and its affiliates the rights to use any materials that you submit (“Materials”). You agree to indemnify and hold harmless SIMULIA and its affiliates against any claims arising from such use of the Materials by SIMULIA and its affiliates, and/or for any breach of this representation. You do not transfer any ownership rights in the Materials to SIMULIA or its affiliates hereunder and SIMULIA shall reproduce any copyright notice contained on any Materials.

All Materials will be published with appropriate credit given to the author(s) and his/her/their employer or other affiliation. By submitting any Materials, you grant to SIMULIA and its affiliates, a no charge, non-exclusive, irrevocable, worldwide right to all Materials to: i) use, reproduce, display, distribute, adapt, translate, modify, arrange directly or indirectly, the Materials to create examples, sample problems, drawings, images and videos (“Representations”); and ii) the right to distribute such Representations on any medium, including paper, web sites, computerized files or digital media and by any means, such as electronic means, for product content, training and marketing purposes.”

The intention is to record all presentations in Camtasia and then circulate 1. a .pdf of the presentation slides and 2. a .mp4 recording of the presentation to UGM attendees via a password protected File Transfer Site.

Please tick here if you do NOT grant to SIMULIA the reuse rights as described above for specifically the PowerPoint slides.

Please tick here if you do NOT grant to SIMULIA the right to include a .pdf of the slides in the fe-safe User Group Meeting Proceedings as described above.

Please tick here if you do NOT grant to SIMULIA the right to include a .mp4 recording of the presentation in the fe-safe User Group Meeting Proceedings as described above.

Please indicate your consent by signing this letter and returning an executed original to SIMULIA at the following address:
